

# RACINGAGAINSTTHE SKILLS CRISIS CLOCK

Key findings from our The Skills Crisis Countdown research report.

### 8 out of 10

organisations are facing talent shortages

### 2/3

have difficulty recruiting the skills they need

So, it's no surprise that only 48%

### SKILLS GAPS

## 1 IN 2 HR LEADERS

admit to a lack of understanding of skills-based practices

### 23%

use only manager feedback to identify skills gaps within their organisations

# 40%

of women say their current role effectively utilises all of their skills

### 68%

of employees in APAC say their skills are underutilised, the lowest utilisation of the regions (compared to 53% in the Americas and 55% in EMEA)

# INTERNAL MOBILITY

### 17%

of organisations are currently using skills-based practices to improve talent mobility

# 52%

of employees say their employer prefers hiring new employees instead of leveraging skills of existing employees

# 64%

say their managers are reluctant to facilitate internal movement of high-performing employees

of employees say there are roles within their current orgs where their skills could be utilised

# 70%

say they would explore opportunities within their current organisation before looking externally

# **UPSKILLING &** RESKILLING

# 9 IN 10 HR LEADERS

believe that up to 50% of their workforce will need new **skills** to perform their jobs in the next 5 years.

# Yet,

# 45%

admit to having no plans to undertake a workforce transformation initiative

# 7%

say they are actively investing in reskilling programs

### 25%

of employees say they have not been offered training opportunities

# 54%

Baby Boomers are less likely than other generations to say they've been offered opportunities to upskill or reskill and only half (54%) have participated in training

# 34%

of the workforce have doubts about how their skills will adapt to changes that may arise from new technology or automation
